

Inspirational Books, Learning Tools & Workshops for Children

Friendship - Bumble Power

For pre-school & early primary years , a gentle fun experience. Storytelling from “Bumble Power” that takes children into the world of friendship, fun and adventure.

Bullying - School Ghoul

For 7-12 years, a very powerful experience. Through the book “School Ghoul” the children explore what it’s like to be the bully, the victim and the friends. This workshop deconstructs “bullying” encouraging children’s integrity with themselves, peers, siblings and adults.

The Book Inside

A practical workshop where children are creatively led to start their own books. The workshop is broken down to beginning, expanding and ending a book through tapping into the children’s creative stumbling block/s with exercises to open them up. Adapted for all ages.

The Art of Storytelling

What inspires us to tell or share a story? Do we have a specific style of storytelling? Does a story have a particular way of being told to fulfil its aim? A fun, creative and expressive storytelling workshop, interacting with questions and answers and utilising various styles of books. For older children.
