

Whisper Whisper

(whisper whisper)
Are they talking about me?
(whisper whisper)
And then 'tee-hee-hee'
(whisper whisper)
'Pass it along'
(whisper whisper)
Oh! now what's wrong?
Nobody speaks
Leaves me out of their games
It's always the same
We're all best-friends
But it always ends
I'm left out!
So, what is a friend?

Well...
Griselda Giraffe...
is all fun & laughs
Harry Hare...
he really cares
Sally Snake gives
her last piece of cake
Miranda Mouse...
I have tea at her house
but...
Felicity Fly...
she makes me cry
so, she's NOT a friend!

Hugo Horse...
is so kind, of course
Bertie Bear...
he's always there
Clarissa Crab...
her games are all fab
Larry Lamb
is so sweet and calm
but...
Wally Whale...
he tells tales
so, he's NOT a friend?

So...
what kind of friend are YOU?

What animal would YOU be?
Tell your story.
